Student Support Services

Student Support

Purpose

The purpose of this policy and related procedure is to support students to adjust to study and life in Australia, to achieve their learning goals and to achieve satisfactory progress towards meeting the learning outcomes of the course.

Scope

This policy and procedure applies to all student operations of Empire Institute.

Policy

This policy and procedure supports Standard 6 – Student Support Services of the National Code of Practice for Registration Authorities & Providers of Education & Training to Overseas Students 2007 which states:

Registered providers support students to adjust to study and life in Australia, to achieve their learning goals and to achieve satisfactory progress towards meeting the learning outcomes of the course.

And: SNR 16: The RTO adheres to the principles of access and equity and maximises outcomes for its clients.

This policy ensures that all students are given support while studying in Australia. This support includes both academic support and personal support. The following policy and procedures ensure that students are made aware of the support available. Empire Institute will also conduct an orientation program for all new students and the details of this orientation program are included in the procedures outlined below.

Policy Guidelines

All Student Support Services are at no additional cost to the students.

Empire Institute assists students to adjust to study and life in Australia, including through the provision of an age and culturally appropriate orientation program that includes information about:

Empire Institute provides:

- The opportunity for students to participate in services, and provides services designed to assist students in meeting course requirements. (See *Course Progress Policy and Procedure*)
- The opportunity for students to access welfare-related support services to assist with issues that may arise during their study, including course progress and accommodation issues. These services are provided at no additional cost to the student. If Empire Institute refers a student to external support services, Empire Institute will not charge for the referral.
- A documented Critical Incident Policy together with procedures that cover the action to be taken in the event of a critical incident, required follow-up to the incident, and records of the incident and action taken. (See *Critical Incident Policy and Procedure*)
- Designated member/s of staff to be the official point of contact for students. The RTO Manager will have access to up-to-date details of the support services provided by the Institute.
- Sufficient staff to meet the needs of the students enrolled, at the Institute.
- Staff members who interact directly with students and are aware of the obligations of the Institute under the ESOS framework and the potential implications for students arising from the exercise of these obligations. This information is communicated to staff through inclusion in staff meetings, and through inclusion of the policies on Empire Institute intranet.

All students will have unlimited access to our student support services through the RTO Manager. The RTO Manager shall have access to student welfare services that are available, locally and in certain situations:

- Where the nature of the concern is beyond the RTO Manager's experience and abilities, the student shall be referred to an appropriate person for professional assistance.
- The RTO Manager shall respond to all questions pertaining to the student's progress, course requirements and satisfactory progress, and refer the student to other staff members, as appropriate.
- The RTO Manager shall assist with accommodation or general welfare issues, through providing appropriate advice and direction.
- The RTO Manager is authorised to refer the student to professional welfare assistance, including Social Workers and Legal Aid.

- The RTO Manager shall detail the Student Support Services provided to each student, and ensure details of services provided are placed on the Student File.
- The Quality Committee shall ensure that the Student Support Services are reviewed quarterly in management meetings, and corrective actions are applied as appropriate.

Nominated Student Services Representative

While each staff member employed by Empire Institute has the responsibility to provide support to all students, the Institute shall nominate the RTO Manager or authorised representative to be available to all students, on an appointment basis, through the Institute's standard hours of business.

Students can access the RTO Manager directly or via Student Administration and an appointment will be organised, as soon as practicable.

Student Orientation Program

An orientation program is conducted before the classes begin and is compulsory for all newly arriving students. The program includes an introduction to the Institute, its services and facilities as well as an introduction to Australian culture, society and life. Students are also introduced to the academic culture and rules of the Institute that are necessary for successful study.

A complete orientation will ensure the student is introduced to key personnel, familiarised with the facilities and procedures of the Institute, and adequately prepared for study at Empire Institute and commencing to adapt to Australia.

The orientation program delivered at the commencement of study must be viewed in the context of a developmental process, including:

- Student's pre-enrolment contact with Empire Institute
- Entry to the course of study
- Progress throughout the course
- Exit from Empire Institute.

The needs of a wide range of participants should be considered. This includes students entering courses as traditional first year Domestic students, International students, and re-enrolling students.

Apart from the Student Orientation Program, the Student Services Representative (SSR) can, on request, organise social events that allow all students enrolled at Empire Institute to mingle and socialise. These events may range from cultural and sightseeing events, to dinners, excursions and sporting events. Any suggestions can be forwarded to the SSR.
